The Ambassador

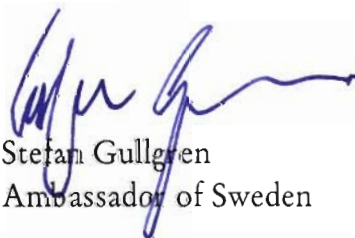

Mr Alex Frishberg Esq. and Frishberg & Partners

Dear Sirs,

Mr Alex Frishberg Esq. and his associates at Frishberg & Partners have for years, including during my predecessors, provided invaluable and highly qualified legal advice and services to the Embassy of Sweden in Kyiv. We have especially appreciated Mr Frishberg's and his law firm's support on matters concerning real estate, including by conducting negotiations on our behalf, and on a range of other issues.

In addition, it has of course been our pleasure to recommend Frishberg & Partners to Swedish companies in Ukraine. Mr Frishberg is himself a frequent guest at my monthly gatherings with members of the business community. His experience and insights – on law, economics, politics and society in Ukraine – are much valued both by the Embassy and, as has been confirmed to me on a number of occasions, by the Swedish businessmen and women in Ukraine.

Consequently, it is with full confidence that I can recommend Mr Alex Frishberg and Frishberg & Partners to anyone in need of legal services and other advice on how to operate successfully in Ukraine.

Stefan Gullgren
